Business Report

Dear shareholders, ladies and gentlemen:

First of all, I would like to thank all shareholders, ladies and gentlemen for their long-term support and encouragement to the company. Here is the report of company's business performance in the year 2022:

1. Annual business report of year 2022:

(1). Implementation Results of the business plan

Our company's consolidated revenue for the year 2022 amounted to NT\$1,921,542 thousand, with a consolidated gross profit of NT\$594,542 thousand. The increase in revenue and gross profit was due to the growth in shipments of GPON products and optical communication relay equipment. Additionally, the appreciation of the US dollar, driven by the interest rate hike in the US, resulted in exchange gains and contributed to a net income attributable to the parent company of NT\$9,271 thousand, which was higher than the previous year.

Although our company's revenue and profits for the year 2022 grew compared to the previous year, the demand for communication and consumer products slowed down due to factors such as inflation and the Ukraine-Russia conflict. Customers began to reduce their orders in the second half of 2022, and we expect this market inventory adjustment to continue into the year 2023.

(2). Analysis of financial revenue and expenditure and profitability (consolidated statement)

| Items | | 2021 Year | 2022Year |
|---------------------|---|-----------|----------|
| Financial structure | Liabilities to assets ratio (%) | 29.21 | 29.59 |
| | Ratio of long-term funds to property, plant and equipment (%) | 1,909.68 | 471.94 |
| Solvency | Current ratio (%) | 322.60 | 443.89 |
| | Quick ratio (%) | 185.43 | 320.99 |
| | Interest coverage ratio | (28.09) | 4.94 |
| Profitability | Gross profit margin (%) | 32.17 | 30.94 |
| | Net profit after tax (%) | (1.57) | 0.48 |
| | Earnings per share (NTD) | (0.46) | 0.16 |

In light of the rising cost of renting office space and for the sake of sustainable development, we purchased the property where our current office is located in 2022 for our business operations. As a result of this purchase, the

ratio of long-term funds to property, plant and equipment decreased compared to the year 2021. Other indicators improved in the year 2022, including an increase in various ratios due to the growth in profits and inventory clearance.

(3). Research and development status

The company's annual research and development achievements in 2022 are as follows:

- I. FTTdp XGS-PON Multi-ports G.fast Wave 2 Solution
- II. VDSL2+ 35b Broadband WiFi 6 Routers Complied to Plume
- III. WiFi 6E Mesh Roaming Repeaters
- IV. 10G XGS-PON Broadband Gateway with Tri-bands WiFi 6E Feature
- V. MoCA 2.5 Broadband Bridge

2. Outline of the 2023 year Annual Business Plan

(1). Business strategy for this year

The global economic environment is still affected by inflation, and both businesses and consumers are cutting back on spending. Although the network communication industry is less affected, because the completion of some customer projects and a lack of clear signs of demand recovery, considering the increased operating costs, to turnover inventory becomes the priority. This market situation will affect our company's operations this year. As most of the customers that the company cooperates with are large-scale telecom operators in various regions, they are of indicative significance. Once they become their suppliers, they can often bring many business opportunities on their own initiative. Comtrend has established brand reputation in the telecommunications market. In addition to expanding cooperative relations with existing telecommunications companies, it also seeks more telecommunications customers and broadband service providers to expand the market and diversify the risk of customer concentration.

In the direction of product development, the company is a leader in niche products. On the basis of existing broadband communication equipment and the advantages of existing products, it actively develops a new generation of Broadband CPE, DPU, MDU, 10 GPON and other products, providing professional, customized, differentiated and market-competitive products to meet the deployment needs of various telecom customers and broadband service providers, so that users can enjoy higher-quality network connection, video and voice services.

(2). Important production and sales policies

The company adheres to the spirit of steady and steady development, and continues to develop and provide products in line with market trends to strengthen the cooperative relationship with customers, and provide good

services to strengthen the trust of the Comtrend brand in the industry. Based on the existing customers, the company takes it as sales reference, which will help to win more telecom customers and broadband service providers in the future.

Regarding product manufacturing, we will work closely with outsourcing manufacturers to ensure stable product quality. However, variables such as the Ukraine-Russia conflict, inflation, interest rate hikes, and the US-China trade war have created uncertainties in the international situation and affected the fluctuation of raw material prices. We have asked our major customers to provide medium- to long-term sales forecasts and closely monitor market changes to mitigate the impact of these changes on our operations.

3. Future development strategy of the company

In order to maintain the stability and growth of both profit and revenue, the company still maintains the consistent development strategy as follows :

(1). Focus on the industry and grow steadily

Do not make high-risk investments, and continue to strengthen business development, giving priority to stable profits; and actively explore new markets, develop new product lines and diversify customers to reduce the impact of changes in the market environment on the company.

(2). Continue to strengthen research and development

Continue to invest deeply in R&D and strengthen software and hardware R&D capabilities, continuously develop high-end and integrated products, and maintain a leading position in technology.

(3). Adhere to quality and reduce costs

Stricter control of product quality and cost to reduce quality problems and improve the company's profitability.

(4). Strengthening operation management

The company adheres to the core values of integrity, service, pragmatism and innovation, establishes long-term partnerships with customers, suppliers and employees, and continues to improve the management system, streamline processes and efficiency, and enhance the company's overall competitiveness.

4. Affected by external competitive environment, regulatory environment, and overall business environment.

Driven by the needs of telecom operators and enterprises for network upgrades and cloud applications, the demand for communication products is increasing, causing domestic and foreign manufacturers to scramble to enter this market, resulting in increasingly fierce market competition. The company has a strong research and development, marketing and management team, in addition to maintaining long-term cooperative relations with existing customers, and actively expand the market, and is committed to the development of various niche products,

the pursuit of stable growth of the company. In 2023, we expect to face uncertainties caused by global economic conditions, including rising inflation and capital costs, economic recession, and volatile international situations. Furthermore, the market is facing pressure from slow demand and inventory clearance. These factors will likely suppress our company's operating performance.

Finally, I would like to thank all shareholders, ladies and gentlemen for their support to the company, and also thank all employees and colleagues for their contributions and efforts, so that the company can continue to prosper and grow. Here, I wish you all good health, all the best.

Comtrend Corporation

Opinion

We have audited the accompanying consolidated financial statements of Comtrend Corporation and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2022 and 2021, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter of the Group's consolidated financial statements for the year

ended December 31, 2022 is stated as follows:

Allowance for Loss on Inventory Valuation in the United States Region

For the year ended December 31, 2022, the Group's inventory amounted to \$384,366 thousand, of which \$121,045 thousand, representing 31.49% of the combined inventory, was generated from its subsidiary, Comtrend Corporation, USA ("CUSA"). As the amount of the assessment of net realizable value and obsolescence loss of the inventory valuation of CUSA is significant to the consolidated financial statements, the assessment of net realizable value and obsolescence loss of the inventory valuation of CUSA was deemed as a key audit matter. Refer to Note 4 "summary of significant accounting policies" and Note 11 "inventories" to the consolidated financial statements.

The main audit procedures we performed to address the aforementioned key audit matter were as follows:

1. Based on our understanding of the business and industry and nature of products of CUSA, we assessed the adequacy of the management's methodology for determining the inventory provision.
2. We obtained the policy of provision for inventory obsolescence losses and the inventory aging report and performed recalculations to determine if the assessment of the net realizable value was reasonable, as well as the accuracy of inventory aging classification and the allowance calculation via audit sampling.
3. We verified whether the inventories were measured at the lower of cost and net realizable value based on the most recent purchase orders or sales data.
4. We observed the year end physical inventory count and assessed whether any inventory was obsolete and damaged simultaneously.

Other Matter

We have also audited the parent company only financial statements of Comtrend Corporation as of and for the years ended December 31, 2022 and 2021 on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free

from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a

material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2022 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Tza-Li Gung and Chih-Yuan Chen.

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders
Comtrend Corporation

Opinion

We have audited the accompanying financial statements of Comtrend Corporation (the "Company"), which comprise the balance sheets as of December 31, 2022 and 2021, the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2022. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter of the Company's financial statements for the year ended December 31, 2022 is stated as follows:

The Measurement of Investments Accounted for Using Equity Method

As disclosed in Note 11 to the financial statements, the balance of the equity investments in Comtrend Corporation, USA ("CUSA") held by the Company was \$73,511 thousand, representing 4.23% of total assets as of December 31, 2022, and the share of loss of CUSA was \$(20,133) thousand, representing (124.6%) of total profit before income tax for the year ended December 31, 2022. As the operating results of CUSA is significant to the Company, the measurement of investments accounted for using the equity method of CUSA is deemed to be a key audit matter.

The main audit procedures we performed to address the above key audit matter were as follows:

1. Based on our understanding of the business and industry of CUSA, we determined whether it is a significant component in order to plan an appropriate audit strategy.
2. We obtained audit evidence that is sufficient and appropriate regarding the subsidiary, and assessed the impact of any potential misstatements for our audit opinion.
3. We recalculated the share of profit and loss as well as related balance of the equity investment to verify the accuracy of the balance of CUSA.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including members of the audit committee, are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit

procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2022 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Tza-Li Gung and Chih-Yuan Chen.

Appendix 2

Comtrend Corporation Rules and Procedures of Shareholders' Meetings

Article 1 : To establish a strong governance system and sound supervisory capabilities for this Corporation's shareholders meetings, and to strengthen management capabilities, these Rules are adopted pursuant to Article 5 of the Corporate Governance Best-Practice Principles for TWSE/GTSM Listed Companies.

Article 2 : The rules of procedures for this Corporation's shareholders meetings, except as otherwise provided by law, regulation, or the articles of incorporation, shall be as provided in these Rules.

Article 3 : Unless otherwise provided by law or regulation, this Corporation's shareholders meetings shall be convened by the board of directors.

This Corporation shall prepare electronic versions of the shareholders meeting notice and proxy forms, and the origins of and explanatory materials relating to all proposals, including proposals for ratification, matters for deliberation, or the election or dismissal of directors, and upload them to the Market Observation Post System (MOPS) before 30 days before the date of a regular shareholders meeting or before 15 days before the date of a special shareholders meeting. This Corporation shall prepare electronic versions of the shareholders meeting agenda and supplemental meeting materials and upload them to the MOPS before 21 days before the date of the regular shareholders meeting or before 15 days before the date of the special shareholders meeting. In addition, before 15 days before the date of the shareholders meeting, this Corporation shall also have prepared the shareholders meeting agenda and supplemental meeting materials and made them available for review by shareholders at any time. The meeting agenda and supplemental materials shall also be displayed at this Corporation and the professional shareholder services agent designated thereby as well as being distributed on-site at the meeting place.

The reasons for convening a shareholders meeting shall be specified in the meeting notice and public announcement. With the consent of the addressee, the meeting notice may be given in electronic form.

Election or dismissal of directors, amendments to the articles of incorporation, reduction of capital, application for the approval of ceasing its status as a public company, approval of competing with the company by directors, surplus profit distributed in the form of new shares, reserve distributed in the form of new shares, the dissolution, merger, or demerger of the corporation, or any matter under Article 185, paragraph 1 of the Company Act, Articles 26-1 and 43-6 of the Securities Exchange Act, Articles 56-1 and 60-2 of the Regulations Governing the Offering and Issuance of Securities by Securities Issuers shall be set out and the essential contents explained in the notice of the reasons for convening the shareholders meeting. None of the above matters may be raised by an extraordinary motion.

Where re-election of all directors as well as their inauguration date is stated in the notice of the reasons for convening the shareholders meeting, after the

completion of the re-election in said meeting such inauguration date may not be altered by any extraordinary motion or otherwise in the same meeting.

A shareholder holding one percent or more of the total number of issued shares may submit to this Corporation a proposal for discussion at a regular shareholders meeting. The number of items so proposed is limited to one only, and no proposal containing more than one item will be included in the meeting agenda. A shareholder may propose a recommendation for urging the corporation to promote public interests or fulfill its social responsibilities, the board of directors may include it in the meeting agenda. When the circumstances of any subparagraph of Article 172-1, paragraph 4 of the Company Act apply to a proposal put forward by a shareholder, the board of directors may exclude it from the agenda.

Prior to the book closure date before a regular shareholders meeting is held, this Corporation shall publicly announce its acceptance of shareholder proposals in writing or electronically, and the location and time period for their submission; the period for submission of shareholder proposals may not be less than 10 days.

Shareholder-submitted proposals are limited to 300 words, and no proposal containing more than 300 words will be included in the meeting agenda. The shareholder making the proposal shall be present in person or by proxy at the regular shareholders meeting and take part in discussion of the proposal.

Prior to the date for issuance of notice of a shareholders meeting, this Corporation shall inform the shareholders who submitted proposals of the proposal screening results, and shall list in the meeting notice the proposals that conform to the provisions of this article. At the shareholders meeting the board of directors shall explain the reasons for exclusion of any shareholder proposals not included in the agenda.

Article 4 : For each shareholders meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by this Corporation and stating the scope of the proxy's authorization.

A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders meeting, and shall deliver the proxy form to this Corporation before five days before the date of the shareholders meeting. When duplicate proxy forms are delivered, the one received earliest shall prevail unless a declaration is made to cancel the previous proxy appointment. After a proxy form has been delivered to this Corporation, if the shareholder intends to attend the meeting in person or to exercise voting rights by correspondence or electronically, a written notice of proxy cancellation shall be submitted to this Corporation before two business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail.

Article 5 : The venue for a shareholders meeting shall be the premises of this Corporation, or a place easily accessible to shareholders and suitable for a shareholders meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m. Full consideration shall be given to the opinions of the independent directors with respect to the place and time of the meeting.

Article 6 : This Corporation shall specify in its shareholders meeting notices the time during which shareholder attendance registrations will be accepted, the place to register for attendance, and other matters for attention.

The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the meeting commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel assigned to handle the registrations.

Shareholders and their proxies (collectively, "shareholders") shall attend shareholders meetings based on attendance cards, sign-in cards, or other certificates of attendance. This Corporation may not arbitrarily add requirements for other documents beyond those showing eligibility to attend presented by shareholders. Solicitors soliciting proxy forms shall also bring identification documents for verification.

This Corporation shall furnish the attending shareholders with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in.

This Corporation shall furnish attending shareholders with the meeting agenda book, annual report, attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an election of directors, pre-printed ballots shall also be furnished.

When the government or a juristic person is a shareholder, it may be represented by more than one representative at a shareholders meeting. When a juristic person is appointed to attend as proxy, it may designate only one person to represent it in the meeting.

Article 7 : If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairperson of the board. When the chairperson of the board is on leave or for any reason unable to exercise the powers of the chairperson, the chairperson shall appoint one of the managing directors to act as chair. Where the chairperson does not make such a designation, the directors shall select from among themselves one person to serve as chair.

When a director serves as chair, as referred to in the preceding paragraph, the director shall be one who has held that position for six months or more and who understands the financial and business conditions of the company. The same shall be true for a representative of a juristic person director that serves as chair.

It is advisable that shareholders meetings convened by the board of directors be chaired by the chairperson of the board in person and attended by a majority of the directors and at least one member of each functional committee on behalf of the committee. The attendance shall be recorded in the meeting minutes.

If a shareholders meeting is convened by a party with power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

This Corporation may appoint its attorneys, certified public accountants, or

related persons retained by it to attend a shareholders meeting in a non-voting capacity.

Article 8 : This Corporation, beginning from the time it accepts shareholder attendance registrations, shall make an uninterrupted audio and video recording of the registration procedure, the proceedings of the shareholders meeting, and the voting and vote counting procedures.

The recorded materials of the preceding paragraph shall be retained for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Article 9 : Attendance at shareholders meetings shall be calculated based on numbers of shares. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in plus the number of shares whose voting rights are exercised by correspondence or electronically.

The chair shall call the meeting to order at the appointed meeting time and announce relevant information such as the number of non-voting rights and the number of shares present at the same time.

However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within one month.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.

Article 10 : If a shareholders meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. Votes shall be cast on each separate proposal in the agenda (including extraordinary motions and amendments to the original proposals set out in the agenda). The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting.

The provisions of the preceding paragraph apply mutatis mutandis to a shareholders meeting convened by a party with the power to convene that is not the board of directors.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs

(including extraordinary motions), except by a resolution of the shareholders meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the board of directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed, call for a vote, and schedule sufficient time for voting.

Article 11 : Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.

When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

When a juristic person shareholder appoints two or more representatives to attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal.

After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.

Article 12 : Voting at a shareholders meeting shall be calculated based the number of shares.

With respect to resolutions of shareholders meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of this Corporation, that shareholder may not vote on that item, and may not exercise voting rights as proxy for any other shareholder.

The number of shares for which voting rights may not be exercised under the preceding paragraph shall not be calculated as part of the voting rights represented by attending shareholders.

With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting

rights represented by that proxy may not exceed three percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.

Article 13 : A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under Article 179, paragraph 2 of the Company Act.

When this Corporation holds a shareholder meeting, it shall adopt exercise of voting rights by electronic means and may adopt exercise of voting rights by correspondence. When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that this Corporation avoid the submission of extraordinary motions and amendments to original proposals.

A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to this Corporation before two days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to this Corporation, by the same means by which the voting rights were exercised, before two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

Except as otherwise provided in the Company Act and in this Corporation's articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders, followed by a poll of the shareholders. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any

one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of this Corporation.

Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the meeting, and a record made of the vote.

Article 14 : The election of directors at a shareholders meeting shall be held in accordance with the applicable election and appointment rules adopted by this Corporation, and the voting results shall be announced on-site immediately, including the names of those elected as directors and the numbers of votes with which they were elected and the list of unelected directors and their obtained voting rights.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 15 : Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed in electronic form.

This Corporation may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS.

The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their voting results (including the number of voting rights), and disclose the number of voting rights won by each candidate in the event of an election of directors. The minutes shall be retained for the duration of the existence of this Corporation.

Article 16 : On the day of a shareholders meeting, this Corporation shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation and the number of shares represented by proxies, and shall make an express disclosure of the same at the place of the shareholders meeting.

If matters put to a resolution at a shareholders meeting constitute material information under applicable laws or regulations or the competent authority regulations, this Corporation shall upload the content of such resolution to the MOPS within the prescribed time period.

Article 17 : Staff handling administrative affairs of a shareholders meeting shall wear identification cards or arm bands.

The chair may direct the proctors or security personnel to help maintain order

at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing the word "Proctor."

At the place of a shareholders meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by this Corporation, the chair may prevent the shareholder from so doing.

When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the meeting.

Article 18 : When a meeting is in progress, the chair may announce a break based on time considerations. If a force majeure event occurs, the chair may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

If the meeting venue is no longer available for continued use and not all of the items (including extraordinary motions) on the meeting agenda have been addressed, the shareholders meeting may adopt a resolution to resume the meeting at another venue.

A resolution may be adopted at a shareholders meeting to defer or resume the meeting within five days in accordance with Article 182 of the Company Act.

Article 19 : These Rules shall take effect after having been submitted to and approved by a shareholders meeting. Subsequent amendments thereto shall be effected in the same manner.

Article 20 : These Rules were approved by the Annual General Shareholders' Meeting and entered into force on June 21, 2002.

Amended on June 14, 2017 for the first time.

Amended on June 11, 2020 for the second time.

Amended on July 29, 2021 for the third time.

Appendix 3

Comtrend Corporation Rules for Election of Directors

Article 1 : To ensure a just, fair, and open election of directors, these Rules are adopted from the Corporate Governance Best-Practice Principles for TWSE/GTSM Listed Companies.

Article 2 : Except as otherwise provided by law and regulation or by this Corporation's articles of incorporation, elections of directors shall be conducted in accordance with these Rules.

Article 3 : The overall composition of the board of directors shall be taken into consideration in the selection of this Corporation's directors. The composition of the board of directors shall be determined by taking diversity into consideration and formulating an appropriate policy on diversity based on the company's business operations, operating dynamics, and development needs. It is advisable that the policy include, without being limited to, the following two general standards:

1. Basic requirements and values: Gender, age, nationality, and culture.
2. Professional knowledge and skills: A professional background (e.g., law, accounting, industry, finance, marketing, technology), professional skills, and industry experience.

Each board member shall have the necessary knowledge, skill, and experience to perform their duties; the abilities that must be present in the board as a whole are as follows:

1. The ability to make judgments about operations.
2. Accounting and financial analysis ability.
3. Business management ability.
4. Crisis management ability.
5. Knowledge of the industry.
6. An international market perspective.
7. Leadership ability.
8. Decision-making ability.

More than half of the directors shall be persons who have neither a spousal relationship nor a relationship within the second degree of kinship with any other director.

The board of directors of this Corporation shall consider adjusting its composition based on the results of performance evaluation.

Article 4 : The qualifications for the independent directors of this Corporation shall comply with Articles 2, 3, and 4 of the Regulations Governing Appointment of Independent Directors and Compliance Matters for Public Companies.

The election of independent directors of this Corporation shall comply with Articles 5, 6, 7, 8, and 9 of the Regulations Governing Appointment of Independent Directors and Compliance Matters for Public Companies, and shall be conducted in accordance with Article 24 of the Corporate Governance Best-Practice Principles for TWSE/GTSM Listed Companies.

Article 5 : Elections of directors at this Corporation shall be conducted in accordance with

the candidate nomination system and procedures set out in Article 192-1 of the Company Act. This Corporation shall review the qualifications, education, working experience, background, and the existence of any other matters set forth in Article 30 of the Company Act with respect to nominee directors and may not arbitrarily add requirements for documentation of other qualifications. It shall further provide the results of the review to shareholders for their reference, so that qualified directors will be elected.

Article 6 : The cumulative voting method shall be used for election of the directors at this Corporation. Each share will have voting rights in number equal to the directors to be elected, and may be cast for a single candidate or separated among multiple candidates.

Article 7 : The board of directors shall prepare separate ballots for directors in numbers corresponding to the directors to be elected. The number of voting rights associated with each ballot shall be specified on the ballots, which shall then be distributed to the attending shareholders at the shareholders meeting. Attendance card numbers printed on the ballots may be used instead of recording the names of voting shareholders.

Article 8 : Before the election begins, the chair shall appoint a number of persons with shareholder status to perform the respective duties of vote monitoring and counting personnel. The ballot boxes shall be prepared by the board of directors and publicly checked by the vote monitoring personnel before voting commences.

Article 9 : The number of directors will be as specified in this Corporation's articles of incorporation, with voting rights separately calculated for independent and non-independent director positions. Those receiving ballots representing the highest numbers of voting rights will be elected sequentially according to their respective numbers of votes. When two or more persons receive the same number of votes, thus exceeding the specified number of positions, they shall draw lots to determine the winner, with the chair drawing lots on behalf of any person not in attendance.

Article 10 : If a candidate is a shareholder, a voter must enter the candidate's account name and shareholder account number in the "candidate" column of the ballot; for a non-shareholder, the voter shall enter the candidate's full name and identity card number. However, when the candidate is a governmental organization or juristic-person shareholder, the name of the governmental organization or juristic-person shareholder shall be entered in the column for the candidate's account name in the ballot paper, or both the name of the governmental organization or juristic-person shareholder and the name of its representative may be entered. When there are multiple representatives, the names of each respective representative shall be entered.

Article 11 : A ballot is invalid under any of the following circumstances:

1. The ballot was not prepared by the board of directors.
2. The name of the candidate entered in the ballot is identical to that of another shareholder, but no shareholder account number or identity card number is provided in the ballot to identify such individual.
3. Other words or marks are entered in addition to the candidate's account

name or shareholder account number (or identity card number) and the number of voting rights allotted.

4. The writing is unclear and indecipherable or has been altered.
5. A blank ballot is placed in the ballot box.
6. The candidate whose name is entered in the ballot is a shareholder, but the candidate's account name and shareholder account number do not conform with those given in the shareholder register, or the candidate whose name is entered in the ballot is a non-shareholder, and a cross-check shows that the candidate's name and identity card number do not match.

Article 12 : The voting rights shall be calculated on site immediately after the end of the poll, and the results of the calculation, including the list of persons elected as directors and the numbers of votes with which they were elected, shall be announced by the chair on the site.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 13 : The board of directors of this Corporation shall issue notifications to the persons elected as directors.

Article 14 : These rule, and any amendments hereto, shall be implemented after approval by a shareholders meeting.

Article 15 : Other matters

This rule was set up on June 20, 2008.

Amended on June 11, 2014 for the first time.

Amended on June 14, 2017 for the second time.
